WISH Express
Hotel software

Ready-to-use IT solution for your hotel.

HOSPITALITY IT THAT YOU WISHED FOR.

A complete package of software, hardware and services assembled to make computerization painless for your hotel.

Almost 500 customers in 20 countries use software solutions from Prologic First to manage the operations of their hospitality business. Prologic First is the 2nd largest vendor of hospitality IT systems in the Gulf countries. Now, Prologic First launches an entry level packaged solution that is intended to make computerization of your hotel very easy and reliable.

SOLUTION INCLUDES

- SOFTWARE.
- HARDWARE
- INSTALLATION.
- TRAINING.
- MAINTENANCE.

AED 34,499 only

all inclusive! ^{#1}

SOFTWARE

WISH Express includes software and features for reservations, reception, cashiering, call accounting, invoicing at points of sale, house-keeping, night audit and management reporting. In short, all the functions that are critical to your hotel's operations. Revenue and collection data is exported for use by a accounting software of your choice.

HARDWARE

Two computer workstations, back up data storage, one laser printer, one networking device, up to 10 metres of networking cable, Windows Operating System and Anti Virus software is what you will need to be able to use WISH Express. All this is included in the solution.

IMPLEMENTATION SERVICES

WISH Express is packaged with five days of implementation services that include installation & configuration of the software, user training and cut over to live operations.

MAINTENANCE SERVICES

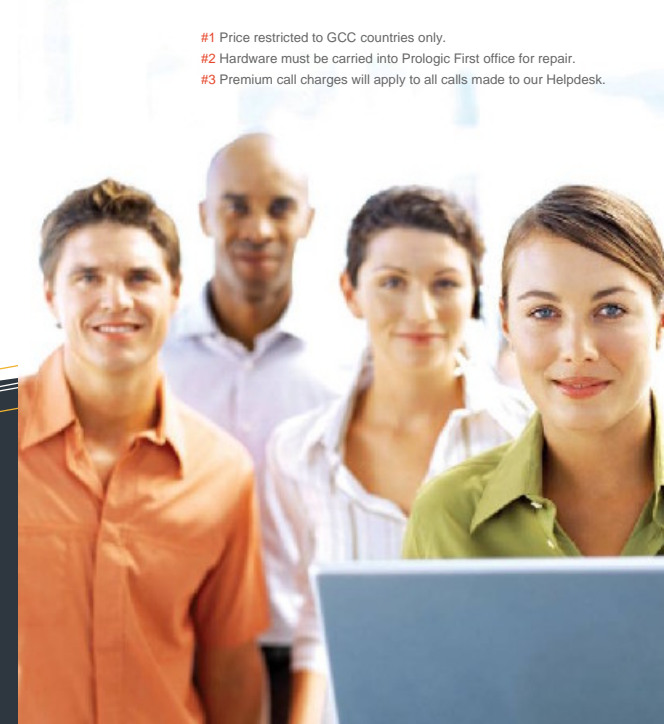

For one year from the date you start using WISH Express in your hotel, you can call our Helpdesk for answers to your questions and for guidance on how to resolve operational issues. We will also repair any defects in the equipment supplied by us ^{#2}. After the first year, you can continue to receive the same services at a charge ^{#3}.

^{#1} Price restricted to GCC countries only.

^{#2} Hardware must be carried into Prologic First office for repair.

^{#3} Premium call charges will apply to all calls made to our Helpdesk.

WE'VE WORKED WITH A DIVERSE CUSTOMER BASE. HOW CAN WE HELP YOU?

Come benefit from our international experience in the hospitality domain.
